PRODUCT SPECIFICATIONS		
Product	Size	Finish
Decorative Laminate Sheets	2440 x 1220 mm	Matt, SF, LR & FAB

**Maintenance:** Clean with mild soap solutions or household detergent, abrasive cleaners should not be used. It is recommended for vertical use only. Avoid direct sunlight.

**Resistance:** To surface wear, immersion in boiling water, dry heat, impact by small dia, ball, cigarette burns, staining, scratches, color change in xenon light.

**STORAGE**

Vertical storing is not recommended for liner laminates. Protect it from water & moisture & never store directly on the floor or touching the wall. Kindly store the sheets horizontally with a thick board at top and bottom to avoid any damage.

**NOTE:**

Please do not use plywood with high moisture content, uneven surface and inferior quality as it will lead to air bubbles between plywood & laminates. Insu cient quality or inf erior quality of adhesive will also lead to delamination or air bubbles. The company will not entertain any complaint in this regards.
