STENCIL

HOW TO USE

A STENCIL IS USED AS A GUIDE TO VISUALIZE HOW DIFFERENT COLORS, PATTERNS, AND TEXTURES OF LAMINATE WILL LOOK IN YOUR SPACE. TO USE A STENCIL, SIMPLY PLACE IT OVER THE LAMINATE SURFACE, ENSURING IT IS SECURELY POSITIONED. THIS ALLOWS YOU TO SEE HOW YOUR SELECTED DESIGNS WILL APPEAR IN SPECIFIC AREAS. THE STENCIL SERVES AS A HELPFUL TOOL FOR PLANNING AND DECISION-MAKING, ENABLING YOU TO PREVIEW VARIOUS COMBINATIONS BEFORE FINALIZING YOUR CHOICES.

— INTRODUCING —

DISCOVER 2

Abhiyan Group is a leading manufacturer of interior panel products, specializing in wood and decorative surfacing materials. With over 22 years of experience, the group has earned a solid reputation for delivering high-quality laminates, plywood, veneers, louvers, doors, and more.

With state-of-the-art manufacturing in Ahmedabad and stock points in New Delhi and Bangalore, the group ensures efficient production and seamless nationwide distribution. A strong network of branches, distributors, and dealers supports its consistent market presence.

Driven by quality and innovation, every product goes through rigorous in-house testing and meets ISI standards, ensuring performance and reliability.

Abhiyan Group is now unveiling the next evolution in the laminate industry, Discover 2. An exclusive collection that brings together refined textures, bold finishes, and striking design expressions, offering a refreshing take on how materials can transform today's spaces. Step into the Discover Zone, where enduring quality meets inspired living.

FOR INNOVATION

A LEGENDARY

eye

Most Trusted Brand in India: Our brand is widely recognized as the most trusted in India, and we take pride in the trust and confidence that our customers and partners have in us. We consistently strive to live up to this reputation.

State-of-the-Art Infrastructure: Our company boasts a state-of-the-art infrastructure, equipped with advanced machinery and technology to ensure efficient and high-quality production processes.

Complete Interior Products Under One Roof: We offer a comprehensive range of interior products, providing customers with a convenient one-stop solution for all their needs. **In-House Hi-Tech**

Quality Control Lab: Our dedicated in-house quality control lab utilizes cutting-edge technology to rigorously test and monitor the quality of our products, ensuring that they meet the highest standards.

Strategically Placed: Our company is strategically located to optimize logistics and ensure timely delivery of products to customers across various regions. With branches in Bangalore and New Delhi, we have established a strong presence in key locations, enabling us to provide prompt and efficient service to our customers.

Competent Team: Our team consists of highly skilled and experienced professionals who are committed to delivering excellence. They possess the expertise to understand customer requirements and provide effective solutions.

ISI Certification: All our products are ISI certified, signifying their adherence to national standards and guaranteeing their safety, reliability, and compliance.

Always Innovative on New Product Development: We prioritize innovation and continuously strive to develop new and innovative products that cater to evolving market needs and trends.

Consistency in Product Quality and Customer Service: We are committed to maintaining consistent product quality and delivering excellent customer service. Our focus on quality control and customer satisfaction is unwavering.

Transparent Business Dealings: At our company, we uphold the highest standards of integrity, conducting business with fairness, honesty, and transparency. We believe in fostering long-term relationships built on trust and mutual respect. Our customers and partners can rely on us to maintain ethical and trustworthy interactions at every step.

Committed to Understanding Channel Partners' Needs: We prioritize understanding the needs and desires of our channel partners. By actively engaging with them and resolving any challenges they may face, we foster strong and mutually beneficial partnerships.

Always Supportive: We are known for being a supportive partner and collaborator. Our team is dedicated to providing assistance and guidance to ensure the success of our customers and partners. European & Japanese Paper Are Used As A Raw Material For Making Our High Pressure Decorative Laminate.

VISION

We strive to lead the industry by continuously being at the forefront of innovation and technology. By setting new benchmarks of excellence, we aim to deliver products that are relevant and up-to-date, meeting the ever-evolving demands of our customers.

VALUE

At the core of our values is a commitment to prioritizing quality, customer focus, innovation, and sustainability. Through these values, we ensure that our products not only exceed expectations but also meet industry standards and contribute to a greener future.

COMMITMENT

We are fully committed to the success of our customers, empowering our employees, adhering to ethical practices, and embracing social responsibility. Building strong relationships, supporting our employees, upholding ethical standards, and making a positive impact on society are integral to our commitment.

MISSION

Our mission is to provide customers with exceptional wood panel and decorative surfacing products that elevate spaces, surpassing their expectations while embodying excellence, sustainability, and personalized service.

TEAM

Our team is comprised of highly experienced professionals who work collaboratively to deliver outstanding products and services. By leveraging our expertise and fostering close collaboration, we consistently meet and exceed customer expectations.

GOALS

Our goals encompass achieving product excellence, attaining market leadership, fostering continuous innovation, and ensuring customer satisfaction. By consistently delivering high-quality solutions and exceptional service, we strive to achieve these objectives.

Innovators Who Build the Future

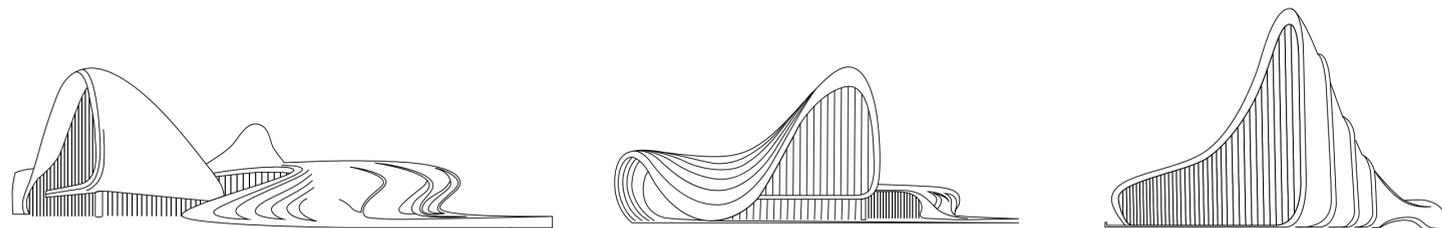

The vision of an architect is a powerful blend of art and science that designs the future by transforming empty spaces into inspiring places that shape the way we live, work, and connect.

► Architect Zaha Hadid

HEYDAR ALIYEV CENTER

A vision so radical, it rewrote the language of architecture.
Every curve, a statement of how intelligently design can create a masterpiece
