Resistance to cracking	Not worse than 4	✓
Resistance to scratching	2 N (Minimum)	✓
Resistance to staining	Not worse than 5	✓
Resistance to colour change (wood standards)		
- In xenon arc light	Not worse than 6	✓
- In enclosed carbon arc light	Not worse than 5	
Resistance to cigarette burns	Not worse than 3	✓
Resistance to steam	Not worse than 4	✓
Appearance	Should be free from foreign particles	✓

FEATURES

A complete dimensionally stable product with the unique resistance power against

- Surface Wear
- Any kind of Stain
- Immersion in Boiling Water
- Scratching
- Cigarette Burns

PRODUCT SPECIFICATIONS

Product: Decorative Laminate Sheets

Size: 2440 x 1220 mm

Thickness: 1.00 mm (±10%)

Maintenance: Clean with mild soap solutions or household detergent, abrasive cleaners should not be used. It is recommended for vertical use only. Avoid direct sunlight.

Resistance: To surface wear, immersion in boiling water, dry heat, impact by small dia. ball, cigarette burns, staining, scratches, color change in xenon light.

- Guaranteed Thickness.
- High Quality Back Sanding.
- The samples shown in the Shade Chart are only indicative of the colors, patterns, and shades available.
- Company warrants that all its products are free from manufacturing defects and perfectly fit for use under normal conditions. In case of any claims, the liability of the company is however limited to the cost of the product only.

Disclaimer: Customers are advised to reconfirm selected laminate when placing orders as our liability does not include claims arising from sample chip pasting error. Samples presented are indicative of color, pattern and surface finish but not of actual thicknesses. All metallic patterns series recommended for vertical application only. Limited Warranty: Seasons warrants that its products are reasonably free from manufacturing defects. The products when properly used, will comply, with normal deviation, related manufacturing specifications. This warranty shall be limited only to the original buyer for a period of care. It is recommended that the products must be inspected prior to installation and our liability will be limited to the extent of the cost of the products only. Seasons products are used for various applications without the possibility of control over the manufacturing of the finished products. The Company does not assume obligations or liabilities arising from the furnishing, sale, installation or repair, use or subsequent sale of any product, to any person or entity.
